## Around the Horn Baseball Camp

Badger Baseball Camp is designed to expose players to top notch coaching. The focus is individualized training in a limited space camp. Many camps can parade experienced instructors out to discuss technique and drills, but Around the Horn is designed to have players work hands on with these talented instructors.

Players will be instructed on all aspects of the game in small group break out sessions. This

Best outfield ever and truly the most complete ball players.

way all players get the attention they deserve and time to really work in the drills with a highly skilled coach monitoring and instructing their development.

Badger Baseball is an exciting camp where players are learning, working and improving in all aspects of their game focusing on fielding, hitting and pitching.
